Addendum To Proposal #P573

**INFRASTRUCTURE VALUATIONS**

Gentlemen:

Attached hereto is additional information and clarification for the above referenced request for proposal. In the event of any conflict with this addendum and the specifications and information contained in the original request for proposals, the information contained in this addendum shall prevail. Please consider all of this information when preparing your proposal.

Proposals for the above referenced request for proposals were not opened on May 19, 2006 as scheduled. Therefore, the opening date for this request for proposals has been changed. The **new** opening date will be June 14, 2006 at 3:00 p.m. Proposals must be received in the Purchasing Department at the below address on or before the new opening date.

If you have already submitted a proposal, it **will** be opened and read on the new opening date. If you would not like your proposal opened at all or should you desire to submit a new proposal, your original proposal must be picked up, or you must notify the Fayette County Purchasing Department **in writing** at the below address of your desire to not have your proposal opened.

Thank you for your attention to this matter.

Sincerely,

Tim Jones, CPPO  
Director of Purchasing

## INFRASTRUCTURE VALUATIONS

Response to the additional questions requested by The Valuation Advisory Group, Inc., regarding the RFP for Infrastructure.

1. Is any enterprise fund infrastructure to be included or just general fund?  
**Answer: Only the General fund is needed. The Enterprise fund assets values have always been reported in the CAFR.**
2. What is the geographic size of the county?  
**Answer: Fayette County's geographic size is 199 square miles.**
3. Who are your auditors?  
**Answer: Cherry, Bekaert & Holland, L.L.P.**
4. What is the extent of information that is available (street inventories, GIS data etc.) for us to work with?  
**Answer: The Fayette County has an electronic mapping system and the Road Department has a listing of all county roads and bridges. Aerial data should be available in the next few months. To view this information please visit our web site at [www.fayettecountyga.gov](http://www.fayettecountyga.gov)**
